Instructions for Installation and Care of Arctic Cat / Textron Wildcat X **Diamond Plate Roof** AC-WILDCAT-X-HT01

Be sure to read these instructions thoroughly before opening and installing the Wildcat X Diamond Plate Roof.

1. Check over the parts included in the cartons with the parts list shown below:

2" Bolts	4 each
U-Nuts	4 each
1 ¼" Black Nylon Spacer	4 each
Large SS Washers	4 each
Large Rubber Washers	4 each
40" Edge Trim	2 each
5" Adhesive Rubber Padding	1 each
Diamond Plate Roof	1 each

If any parts are damaged or missing please contact customer service at (800) 213-7981.

2. Before installing the roof, take the 5" adhesive padding and place it on the top middle bar in the center. It should go on top of the bar so that it faces the sky.

3. Next take the 4 U-Nuts which are black metal clips with a threaded hole and place them in each of the four corners. Each corner has a piece of metal welded in place and has two holes in them. Install the U-Nuts in the smaller of the two holes.

4. Take the roof and place it up on top of the Wildcat. Using the 2" bolts, place a metal washer then a rubber washer on each bolt and put them through the holes so that they go into the brackets welded to the frame. When you do this, place a 1 1/4" black spacer under the roof so that the bolt runs through the spacer before screwing it into the U-Nut. Wait until all four bolts are in place before tightening them down.
5. After all four bolts are in place, tighten them down. Then take the 40" long pieces of edge trim and place them on both sides of the roof. This completes the installation of the roof. The following pictures show how it should look when complete.

Thank you for your purchase!

Return Policy

If for any reason you choose to return this product it must be returned within **30 days from date item is received**. You **MUST** package the product exactly **as it was originally packaged from the factory to get a full refund for the product!**

The vinyl windows should never be folded when packaging in the box or for storage purposes. Lay all the windows on top of each other with the canvas folded in between and the paper (if available) on both sides of the windows.

All returned products will be inspected upon arrival at the production facility and must be in unused, factory new condition to receive refund - a 25% restocking fee will apply.

If ordered from Falcon Ridge please call at 800-213-7981 to gain a return authorization number, use our preferred shipping carrier (UPS) to return the item (unless the item is defective, you are responsible for paying the shipping to return the item.) **Any returns submitted to Falcon Ridge without a return authorization number will be charged a 20% restocking fee.** If ordered from one of Falcon Ridge's many distributors, you must first call them and see what their return policy is. Once your item reaches our production facility, our customer satisfaction team will inspect your item to ensure unused, factory new condition. **NOTE: All windshields must be returned with the original protective film intact and not removed. Do NOT REMOVE if you have any intentions of returning the item. Refund/ replacement of a windshield will only be processed on items with original protective film or if the windshield is defective.**

Items must be properly packaged in the original shipping carton to protect them during transit and ensure your returned item arrives back factory fresh, and in new resalable condition (**any returned items that have been used, altered or damaged in any way will not be subject for a refund.**) All contents including instruction manuals, accessories, hardware, Velcro, etc. must be included in your return shipment. Only items in OEM factory new condition will be approved. Once returned items are received, credit will be issued to the original credit card/ payment method used for the purchase. Outbound shipping and return shipping cost will not be refunded. Please allow 4 to 6 weeks for your refund to be processed.
